

TWINS & PINS
CHARITY BOWLING CLASSIC
Hosted by Denard Span

Roll a strike for a great cause.

Join players past and present, including center fielder and host Denard Span, for an evening of strikes, spares and fun. The Twins & Pins Charity Bowling Classic was created to raise money for non-profit beneficiaries. Proceeds benefit Friends of St. Paul Baseball and the Jeremiah Program.

Beneficiaries

Friends of St. Paul Baseball's mission is to enhance the opportunity for participation in the game of baseball within the City of St. Paul. They update and enhance existing baseball fields, make capital improvements, provide on-going operational support, and construct additional baseball facilities. Every dollar raised benefits the more than 5,500 St. Paul Rookie & RBI Program, Little League, Babe Ruth, VFW, Legion and Amateur baseball participants each year.

The Jeremiah Program empowers young mothers to achieve their aspirations for economic independence. The program provides a holistic support system for young women seeking higher education, including affordable housing, life-skills education, empowerment training and early childhood education for their children.
